Subject: Wastewater Treatment Systems

We, WWMASS Investors, LLC, who owns the Fairview Mobile Home Park and a private home in Fairview supports the Wastewater Treatment System Project. We feel the elimination of private Septic Systems would eliminate the potential contamination hazards, reduce maintenance costs, increase the volume of useable land, and potentially increase the property values. The Mobile Home Park (MHP) consists of 40 lots. Below are the 911 addresses of occupied lots on Erwin Court in the MHP.

22276, 22277, 22280, 22281, 22284, 22288, 22289, 22294, 23002, 23006, 23014, 23026, 23034, 23046, 23050, 23062, 23021, 23023, 23025, 23029, 23033, 23039, 23047, 23053.

Sincerely,
